News from Pioneers

Pioneers have had a great Health Week. They have learnt about "Me sized portions," how to look after their teeth, the importance of five fruit or veg a day, how to keep active and lastly how to keep safe. Along with all their topic books and old books there should book a Health Week booklet - enjoy! We were very proud of their sporting achievements on Wednesday – many thanks for supporting this event.

Next week we have another small trip to the Mosque for our RE topic "Special Places." We will also be looking at signs of summer along the way. From **WEDNESDAY** – the home/school reading trolley will be closed. Please could you have a look through book bags and at home for school books. We really need all books returned so that we can support other children with their reading. Also we will be sending home lots of work etc so if your child could have a named plastic bag that would really help.

News from Explorers

The Explorers have had such a lovely week starting our new topic. "Pizza"! We have a pizza shop in the classroom and the children have been busy making, ordering and delivering pizza ready for our trip on Friday. Ask your child about our amazing time at Pizza Express today.

The moment you have all been waiting for... reports! Reports and work for the year will go home this afternoon.

The children have worked incredibly hard all year and we are immensely proud of not only their outcomes but also the progress EVERY SINGLE ONE OF THEM has made. Thank you all for your support as well.

We hope you enjoyed our Sports Day this week as much as we all did. The children did us proud with their participation, enthusiasm and behaviour.

We hope as many of you will be able to join us at 9am on Friday 19th July for our last collective. The children are working hard on a special performance of a song for you all. It will be amazing!
