#### Christian value of our fortnight

This week's value has been 'Worship'. For Christians worship is giving to God what he deserves. We have spoken to the children about being thankful and some children have been in the prayer shed making models of what they are thankful for! We read the story about the 10 lepers in the Lovely Hat Collective today – a story in which only 1 out of 10 people were thankful – and we discovered that the one person in the story who was thankful actually made friends with Jesus. We can learn that being thankful can help you build relationships.
