- No jewellery should be worn in school.

Thank you for supporting these few simple things that make school life so much easier.

Christian value of our fortnight

This week's value has been 'Worship'. For Christians worship is giving to God what he deserves. We have spoken to the children about being thankful and some children have been in the prayer shed making models of what they are thankful for! We read the story about the 10 lepers in the Lovely Hat Collective today – a story in which only 1 out of 10 people were thankful – and we discovered that the one person in the story who was thankful actually made friends with Jesus. We can learn that being thankful can help you build relationships.

Bikes and Scooters

Due to Health and Safety, if your child brings a bike or scooter to school, this will need to be taken to and from school via the playground gates only and not through the main entrance. The gate shuts at 9am and 3:30pm, so please allow extra time to do this. Many thanks for your co-operation.

Green and Blue Adventurers classes would both love to go on some trips to the park and local area during this year. Our first trip will be after half term. We really need parent helpers to come along on these trips in order to be able to run them safely. If you are free some days and would like to help us in this way, please do let your class teacher know. We will then compile a list of parents that we can call on when we have a trip coming up.

Thank you so much!
