Well Done Green Adventurers!

Year R phonics taster morning 14th January 2020

Parents of children in Adventurers are invited to stay with their children to experience a phonics session and help them with some activities. Following this, Miss Pollard, will spend some time talking to parents about how pupils learn phonics at school. We hope you can come to this vitally important session. Please look out for an invitation at the start of next year.

Last week there were 33 instances of lateness by 23 children and 9 hours and 19 minutes of learning time were lost due to lateness. **This lateness really isn't acceptable and needs to improve. A reminder that penalty notices will be issued for those who are persistently late.**

Please remember that you must inform us if your child is unwell and is unable to attend school. Please contact us before 9:15am. You can phone us 023 80 385122 or email us at

southampton@hopecommunityschool.org

Please remember good attendance and punctuality are really important!
