SCHOOL

CLOSED to all children including those of critical and vulnerable children.

We all hope that everyone has a very happy and healthy break. If however; your child or household member develops Covid-19 symptoms during the break please arrange a test. **If the result is positive please contact the school office via email at southampton@hopecommunityschool.org.** We will then contact any children or members of staff they may have been in contact with if needed. We also have to report to the Department of Education those who test positive who are not currently attending school. Thank you for your help in this matter as we all want everyone to stay safe & well.

Christian value of our fortnight

This week children have been learning about the Christian value of 'Self Control' which is choosing to do what you should do, not want you want to do.

This week we have continued to think about self-control and how important it is to control our angry feelings. We have also thought about how to stay safe when online and learnt more about the Chinese New Year.
