Christian value of our fortnight

This week children have been learning about the Christian value of determination which is deciding it is worth it to finish what you have started.

This week the children have been thinking not only about determination but also refugees, because it is 'Refugee Week'. They found out about the story of Abraham and how he left his own country to follow God. He was also determined to trust God even when things didn't seem like they would work out.

Year 2 Explorer – Chicks

Year 2 have had a great two weeks learning further about the life cycle of a chick. They have seen chicks hatch, watched them grow and loved holding them. They particularly enjoyed it when they had a wander around the classroom and two went for a race! Explorers have also written stories about the life cycle of a hen, used art pencils to draw them and design the chicks a new house.

Year 1 had a wonderful summer walk on Monday and enjoyed exploring the woods. They managed to enjoy ice poles together in the shade!
