### Christian value of our fortnight

This week children have been learning about the Christian value of 'responsibility' which is showing you can be trusted with what's expected of you.

We have also been thinking about Diversity as it is Diversity week. In today's collective we looked at the story of creation and how God made everything so different and he was pleased with what he had made. We have considered all of the differences between humans and realised and not a single person is exactly the same! We realised how silly it was to judge people or make people feel bad because they are different whether it is a difference in appearance, belief or who they love.

#### Year 3 Pioneers Mandarin lessons

Pioneers take mandarin lessons every fortnight with Min from the University of Southampton. They wrote some Chinese characters, coloured and labelled events from the Legend of Qu Yuan and held and smelled some sticky rice dumplings cooked in bamboo leaves

#### Year 2 Local Walk

On Wednesday, Explorers went on a local walk to Mayflower park and back again. The purpose of the trip was to explore human and physical geographical features and find out what land is used for and what do people do in Southamton. Miss Patience and Miss Hill were very proud of the way Explorers represented our school out in the local community. Thank you also to the adults who helped out on our trip.
