Christian value of our fortnight

This week children have been learning about the Christian value of 'uniqueness' which is discovering who you are meant to be, so you can make a difference.

The children have been thinking a lot about the environment due to the importance of the current Climate Change Conference in Glasgow. They have thought about the impact of Greta Thunberg, the young Swedish environmental activist, who has used her unique skills and passion to make a massive difference.

Please remember that you must inform us if your child is unwell and is unable to attend school. Please contact us before 9:15am. You can phone us 023 80 385122, use the ParentMail app or email us at southampton@hopecommunityschool.org
