Safer Internet Day – Tuesday 8th February

This year, it's focussed on 'All fun and games? – exploring respect and relationships online'. Each class will do a focussed lesson during the day, exploring what information is ok to share online, what dangers they might come across while playing games online and what to do if they experience something unkind or worrying. Please chat with your child about safety online. You can find more resources to support you here: <https://saferinternet.org.uk/safer-internet-day/safer-internet-day-2022>
