Christian value of our fortnight

This week children have been thinking of the value of “**Adventure**” through Faith –

Believing in what you can't see by what you can see. They have considered a story from the Bible about a centurion who believed that Jesus could help him and also thought about things that are real but that you can't see!

SAFEGUARDING CORNER

This is a website specifically written for children but has lots of helpful advice for families along with some games that children could play.

It also has a number that children can call at any time if they need help.

We teach them it at school and have posters up in every classroom.
