School Uniform

As the nature of uniform, all children's uniform looks the same or similar, this can make it hard to identify which item belongs to who and most of the time can end up in the lost property. Although some children have the magical ability to detect their clothing by smell, it is much more straight forward and less time consuming if they can identify it by name.

Please write your child's name in all clothing except under garments (pants/socks/vest)

Christian value of our fortnight

This week children have been thinking of the value of “**Goodness**” which is acting with love for the benefit of others. They have thought about different ways people show goodness to others and how they might show goodness at school.

Let's celebrate

On **Friday 27th May** our school will be marking the significant historical event of the Queen's Platinum Jubilee. We want to make this day both fun and memorable for the children.

We will be asking the children to come to school dressed as kings, queens, princes or princesses.

Watch this space for more details to come.

SAFEGUARDING CORNER

Just to let you know this is what Ofsted are recommending for all schools across the board.

'...a carefully sequenced RSHE curriculum, based on the Department for Education's (DfE's) statutory guidance, that specifically includes sexual harassment and sexual violence, including online. This should include time for open discussion of topics that children and young people tell us they find particularly difficult, such as consent and the

so as a result of this recommendation we will now be introducing this in school

Laying the foundations at key stage 1-2

The foundation for this learning should be introduced from KS1 to include, for example, learning about:

- Asking, giving and not giving permission (consent)
- What makes a good friend
- Boundaries and privacy
- Challenging stereotypes and discrimination
- About body parts that are private
- About appropriate and inappropriate touch

This understanding will support primary pupils' current safety, while preparing them for specific learning about sexual violence and sexual harassment in the secondary phase.

PE KIT REMINDER

We have decided to allow KS2 pupils (Year 3 upwards) to come to school in their PE kits on Wednesdays.

We still want to maintain high standards in terms of uniform, so please can you make sure children are wearing the correct PE kit - plain black joggers and sweatshirt for cooler weather and plain black shorts with pale blue t-shirt when it is warmer. We do not want this to descend into a fashion parade of the latest sports brands, so we will be very strict on not allowing branded sportswear or sweatshirts with logos. If children arrive wearing the incorrect kit - spare kit will be provided.
