Christian value of our fortnight

This week children have been thinking of the value of “**Generosity**” which is making someone’s day by giving something away. They have thought about different ways of being generous and linked it to how people have been generous enough in the past to give their lives for others. We then thought about the meaning of Poppy Day.

School Photographs

School photographs were sent home on Tuesday 8th November. We can take cash orders in the school office or orders can be made online using the code on the proof card.

The closing date for order is 22nd November.

Children in need

On Friday 18th November we are supporting Children in Need. Please can the children bring in a £1 donation and wear something yellow, spotty or both.

Congratulations

We would like to congratulate Miss Robinson on the safe arrival of her little boy Brenton born 2nd November 2022. Mum and baby are doing well.

SAFEGUARDING CORNER

This week we wanted to further promote online safety for the children.

Many of them are discussing "You Tube" clips that they have watched

The YouTube site says that it is for children aged 13 up. However, there is a "YouTube Kids platform that provides enhanced parental controls:

<https://www.youtubekids.com/>

Children need to be supervised when watching these videos as they can easily move from something educational and appropriate to something totally inappropriate with adult content within seconds.

In particular, we wanted to warn parents about videos and games connected to a horror game character from "Poppy Playtime" called Huggy Wuggy.

WARNING: This contains images and details some people may find disturbing. This **should not be shared with young children**.
