## SAFEGUARDING CORNER

Today we wanted to let you know that after Chrissy, our Mental Health Schools Worker has visited our classes we are setting up worry boxes in each class so that the children can draw or write their worries on a piece of paper and then put them in the box. The children can tick to say if they would to talk to someone or not.

We are encouraging the children to share their worries to help their mental health.

## The Community Hub

The Community Hub team at Central Hall have set up a warm space **on Wednesday afternoons, 12-2pm.**

They are serving free hot drinks and hot food from the coffee shop hatch, so if you need somewhere warm to visit and to enjoy some company, then why not come along. There is also a family friendly area in Rm 4 for any one with young children.

They will be open every Wednesday running up to Christmas, except Wednesday 7<sup>th</sup> December due to ACCA exams in the building.

It is hoped that this will continue through the winter months up until March/April.
