

IMPORTANT DATES

July

12th July — Transition day

21st July — Last day of school

Week 3 for school lunches

Christian Value

The children have been considering the value of Curiosity this week, which is part of our core value of Creativity. Children have considered what they are curious about and what to do if they are curious. We played the 'three question' game in assembly, where we try to ask three questions to find out something new about someone. You could try it at home – first ask a what question e.g. What is your favourite? Then ask a Why question about their answer and then ask a final question to find out more!

SAFEGUARDING CORNER

This week we wanted to let you know about our Health and Safety week which is happening next week.

We wanted to give some time to encourage healthy habits such as regular exercise, looking after your mental wellbeing, cleaning teeth regularly and eating 5 fruits and vegetables a day along with doing some extra education around staying safe. Before the holidays we wanted to help the children to be safe around strangers, safe as they cross the road, safe by water and safe on-line.

We are also going to talk to the children about the NSPCC "Stay safe and speak out" campaign.

A separate letter will be coming home with more information.

COME VISIT

FREE ENTRY - Quiet spaces, activities, chicken & duck feeding, Farm Shop Cafe, pebble painting, treasure trail and more!
