CHRISTIAN VALUE OF THE FORTNIGHT

The children have been thinking about the value of 'Knowledge', which is about learning new things so that you can get better at what you do. They have considered things that they would like to get better at this year and what they can do to help themselves. They have also thought about the difference between knowing about someone and actually knowing them. We talked about how Christians believe that God actually knows people and that we can know God – not just know about Him.

CENTRAL HALL WARM SPACE

All parents/carers of Hope Community School are invited to enjoy the Warm Space here at Central Hall. It takes place in the coffee shop area every Wednesday during term time. There are hot drinks, home made cakes and hot lunch provided for a small donation. A family space with toys for under 4's is available to chat a relax, we also have a great stock of children's clothing in our free clothes bank (they grow so fast!).
