

Equality Information & Objectives

Hope Community School is committed to protecting the rights of both pupils and staff to achieve their full potential in an environment which values cultural diversity and is free from discrimination and harassment.

We are committed to:

- Providing a broad, balanced and appropriate curriculum for all pupils, irrespective of race, sex, class, religion, disability or intellectual ability.
- Promoting an ethos that values and respects all pupils and their backgrounds; creating an atmosphere of support and confidence.
- Working positively to eliminate all forms of discrimination.
- Promoting self-esteem by recognising an individual's worth.
- Monitoring and reviewing school practices to ensure equality of opportunity and eliminate discrimination, whether intentional or unintentional.
- Learning that reflects the differing needs within the class.
- Working to establish effective communication between schools, parents and the community.

Objective: Achievement for all pupils

At Hope Community School we aim for equality of opportunity and foster good relationships in engaging parents and carers, tackling discrimination and narrowing the gaps of achievement where they exist.

The school effectively monitors data on ethnicity, gender, socio-economic circumstances, religion and other groups to address any differentials in outcomes for these groups. This is measured by data analysis, discussions with parents, pupils and staff, lesson observations.

Objective: Behaviour and Attendance

At Hope Community School we encourage community cohesion through a growing understanding of differences and similarities within a climate where respect is promoted and discrimination is not tolerated. The school promotes strong relationships with every family and seeks to understand barriers to good attendance and behaviour for learning.

The school effectively monitors and addresses all incidents of bullying. The school works effectively to monitor and improve attendance of all pupils and to remove any barriers to learning. This is measured by attendance data, behaviour & racial incident logs, discussions with pupils, parents and staff.
