SAINTS FOUNDATION - COACHING CENTRE

Our coaching centre is for boys and girls aged between 5-13 years old who would like to improve their skills through a structured and enjoyable coaching programme. Sessions are delivered by our experienced and FA qualified coaches and will cover topics from the Saints Foundation Curriculum which include passing, receiving & turning, finishing as well as attacking and defending topics. Players will also play in 4v4 games and a tournament on the last week of the course.

Each player will be presented with a certificate of attendance and will have the opportunity to win a medal during the tournament. These sessions take place on a Saturday morning.
